

Limited Licensing Release:

This service agreement is a limited license image release.

Images delivered are licensed to the client for:

- The purpose of listing a property only.
- Term of the listing, not to exceed 1 year.

Client has permission to use the delivered images on any electronic or printed form of advertisement for the promotion of the property only.

No future agents who take on the property listing after expiration or withdrawn sale may re-use images without first paying (current) applicable rate.

Builders, stagers, designers, or “third parties” that wish to use images must contact the photographer directly for licensing and fees. In addition to payment, a property release must be obtained from the homeowner by that third party.

For image integrity and quality control we ask that images not be altered once delivered.

- Please [contact](#) Valley Property Imaging for an additional release for any and all printed publications. Fees may apply.
